Dr. Contino called the meeting to order at 9:15 a.m. The Board introduced themselves to the public. Megan Williams and Linda Darling were welcomed as new members on the Board of Nursing. Dr. Contino thanked Lyron Deputy and Tracy Littleton for their service and a note from Mr. Deputy was read to the board. It was also noted that Ms. Tyranski, Mr. Salati, and Ms. Nellius were reappointed for another three year term.

REVIEW OF MINUTES (July 9, 2014)

The Board reviewed the minutes of the July 9, 2014 meeting. Mr. Sanders made a motion, seconded by Ms. Nellius, to approve the minutes as written. By majority vote, the motion carried, with Ms. Tyranski, Ms. Bradley, Ms. Williams, and Ms. Darling abstaining.

ADOPTION OF THE AGENDA

Mr. Price made a motion, seconded by Ms. Halpern, to adopt the amended agenda as written. By unanimous vote, the motion carried.

ACTIVITIES REPORT

Dr. Zickafoose reported the number and types of active licenses as of September 8, 2014.

RN = 16,904 (RN permits = 18)
LPN = 2,836 (LPN permits = 3; GPN permits = 1)
APN = 1,433 (APN permits = 8)
Military Provisional License = 1
Advanced Practice Nurses: NP = 920; CRNA = 341; CNS = 137; CNM = 35
Total permits = 30
Total Active Licenses = 21,174

Dr. Zickafoose said there were 25 APN's approved yesterday for prescriptive authority.

UNFINISHED BUSINESS

Wendy Gleason, RN – Dr. Contino reminded the Board that Ms. Gleason's Hearing Officer Recommendation was before them in June. Ms. Singh said this case was reviewed by the Board in June; however, after the meeting it was determined that the quorum was lost due to two members of the Board recusing themselves. Ms. Singh said Ms. Gleason contacted the Division and said she wanted to speak before the Board. Ms. Gleason addressed the Board from 9:25 a.m. until 9:32 a.m. Ms. Singh gave an overview of the Hearing Officer Recommendation and described the sanctions. After Board deliberation, Mr. Price made a motion, seconded by Ms. Bradley, to accept the Hearing Officer Recommendation with modification to suspend Ms. Gleason's license until March 22, 2016, immediately stayed for probation, as long as she is enrolled with PNAP. She is to remain enrolled in PNAP for 3 years with Delaware's DPHMP program co-monitoring, after which she can petition the board to lift her probation. Ms. Gleason is also required to complete 12 contact hours of CE; 9 in substance abuse, and 3 in ethics. If she fails to comply with the board order her license will automatically be suspended. By majority vote, the motion carried, with Mr. Salati and Ms. Tyranski recused.

Patricia Dougherty, RN – Ms. Singh said this Hearing Officer Recommendation came before the Board in March 2014. At that time the Board voted to suspend Ms. Dougherty's license for two years and required her to enroll in the DPHMP program. Ms. Singh said she discussed the case with Deputy Attorney General Patty Davis-Oliva and both agreed that the discipline should be consistent with other previous orders. Ms. Singh said requiring a licensee to enroll in the DPHMP program while suspended conflicts with the Board's statute. Dr. Zickafoose said she would like there to be an opportunity for licensees to be allowed to enroll while they are suspended if they choose to do that. She said this would allow them the opportunity to show a current track record and prove to the Board that they have been participating in a program. Ms. Singh said if this were to come before the Board, it would have to be addressed because it actually conflicts with the Board's statute that states that 'voluntarily enrolling is prohibited if your license is subject to discipline'. She said when that situation arises it may be an opportunity for the licensee to come before the Board and ask to be 'ordered' into a program. Dr. Zickafoose asked if a licensee that is suspended could be required to enroll in a monitoring program if they are working with a Deputy Attorney General on a consent agreement and was told they could be.

Ms. Singh gave an overview of the Hearing Officer Recommendation and described the sanctions. After Board deliberation, Mr. Salati made a motion, seconded by Ms. Halpern, to accept the Hearing Officer Recommendation with modification that Ms. Dougherty's license stay suspended for two years and that she not be required to enroll in the DPHMP while suspended. Once the term of her suspension is over, Ms. Dougherty can petition the Board to lift that suspension. All other recommendations remain as written. Ms. Dougherty must complete the required contact hours within 60 days of the termination of her suspension. By majority vote, the motion carried, with Ms. Udealer recused.

COMMITTEE REPORTS

APN Committee: Mr. Price said the committee met on August 4th with Ms. Karen Welden Stewart, Insurance Commissioner, and Mr. Gene Reed, Deputy Insurance Commissioner, to discuss the Consensus Model. He said Dr. Alan Prettyman, Dr. Zickafoose, and he also met on September 8th to show a short video for the Political Action Committee and Government Affairs Committee of the Medical Society of Delaware. He said Ms. Stewart also attended the meeting to get insight into any issues APN's may be having. Mr. Price said most of the committee was open to some form of collaborative language, but not a collaborative agreement. A workgroup will be formed to review the language to gain support for the bill. Mr. Price said the next meeting is scheduled for September 29th in Dover.

AWSAM Committee: Ms. Tyranski reported the committee's focus now is on getting legislation introduced and gaining support from various stakeholders. The committee is working on talking points and ways the Division can support the education platform. Ms. Tyranski said the Board was given two documents; one is the proposed legislation from the AWSAM committee to change the AWSAM program to LLAM, and the other is the corresponding rules. Dr. Zickafoose explained that LLAM means Limited Lay Administration of Medications. Ms. Tyranski gave an overview of this committee for the two new members of the Board and answered their questions. Ms. Tyranski made a motion from the committee to approve the statute and rules and it was unanimously approved. The Committee meets again September 16th.

PRESIDENT'S REPORT

Dr. Contino said he attended the Annual NCSBN meeting in August along with Dr. Zickafoose and Ms. Tyranski. He said the President's meeting was combined with the Executive Director's meeting to discuss recommended changes to compact licensure. He said they discussed deliberations during hearings, and said Delaware is one of the few states that deliberate in public and on the record. Security at meetings was another topic for discussion. Dr. Contino said some states have police officers or plain clothes officers in the room during the hearings. Other states have considered using wands to

check attendees of meetings.

Dr. Contino said he received an email on Friday that the Maryland Board of Nursing reported that the Secretary signed a final adoption of a regulation eliminating the requirement of a collaborative agreement for Certified Nurse Midwives and it went into effect on August 29th.

EXECUTIVE DIRECTOR'S REPORT

Dr. Zickafoose, continued to talk about Maryland's new regulation change, and said she went to Maryland's Board of Nursing link and found that the language has not been removed yet. She said she contacted National Council to ask for an update but has not heard back from them. She said the Maryland Board of Nursing has a new Executive Director, Mary Kay Goetter.

Dr. Zickafoose reminded board members that she emailed the nurse licensure compact information to them and feedback is due to the NCSBN by September 18th. The only feedback she has received so far is from the Division's Systems Manager who said she didn't have any changes. No one on the Board had any feedback at this time. Dr. Zickafoose said she included a resolution on the Annual Report that was approved by the National Council State Board of Nursing Delegate Assembly which shows the NCSBN's commitment to implementing changes to current compact licensure, as well as APRN licensure, in an effort to improve mobility, access to care, etc. for tele-health practice in particular.

Dr. Zickafoose said NCSBN announced that due to an increase in fraudulent documents a new Fraud Committee has been developed. This new committee will establish guidelines that will deal with the fraudulent documents. She said Ms. Jennifer Childears, a member of her staff, has been appointed to the Fraud Committee for a two year term ending in 2016. Dr. Zickafoose said she was appointed to the Area #4 Leadership Succession Committee of the NCSBN.

Dr. Zickafoose read a revised definition of entry level nurse stating the old definition described an entry level nurse as one with no more than 6 months of experience and the new one defines it as a nurse with no more than 12 months experience. She handed out a copy of the Journal of Nursing Regulation supplement reporting the results of the NCSBN simulation study. She said the findings show that 50% of clinical time could be conducted in high fidelity simulation activities with the same outcomes. She felt this was a groundbreaking study that may have an impact on education. Dr. Contino said the study showed a control group that did traditional clinical, a group that did 25% of their clinical time in simulation, and a group that did 50% of their clinical time in simulation; however, no significant difference was found in the NCLEX results.

NEW BUSINESS BEFORE THE BOARD **LICENSEE APPLICATION REVIEWS**

Yahchika Leonard, RN

Ms. Yahchika Leonard graduated from Fortis College, Ohio in 2010. Her CBC shows Driving While Under a Suspended License (Rule 15.8.38) on 5/13/03. Her letter of explanation stated she had been pulled over shortly before this time where her license had been suspended. Ms. Leonard said she didn't realize she had to show up at a hearing. She stated she thought she only had to pay a fine for a ticket. Because she didn't show up for her hearing her license was suspended. She continued to drive and was pulled over again. Ms. Singh said the relevance in this case is that she was driving on a suspended license, and she did check 'yes' regarding criminal charges. The Board discussed many

discrepancies found on her application. It was noted that sometimes insurance companies fill out applications for applicants, and it appeared that may have been what happened in this case. The Board theorized that the discrepancies on the application may have occurred due to someone else filling out the application; however, felt there were too many unanswered questions. Mr. Price made a motion, seconded by Ms. Halpern, to propose to deny licensure by endorsement with the right to the applicant to a hearing. By unanimous vote, the motion carried.

Suzanne Doller, RN

Ms. Doller graduated from Orange County Community College, NY in May 1982. Her CBC showed Resisting Arrest (Rule 15.5.23), and Criminal Mischief Intent to Damage Property (Rule 15.3.5), both on 7/14/92. Her letter of explanation stated she incurred these charges by entering an abortion clinic in Manhattan with several other like-minded people, staged a 'sit-in' and disconnected the tubing from the abortion suction canisters. She answered 'yes' to question #18 on her application and stated, "No documents – 1992 – censure & reprimand for criminal trespass in a political protest," as her response to the question. Question #19 lists employment in WV yet she does not hold a valid WV license. She answered 'yes' to question #25 and stated, "I was arrested in a peaceful non-violent political protest in NYC in 1992. I plead non-contendere to a charge of criminal trespass." After Board discussion, Mr. Price made a motion, seconded by Mr. Sanders, to propose to deny licensure by endorsement with the right to the applicant to a hearing. By unanimous vote, the motion carried.

Ms. Udealer left the meeting at 2:38 p.m.

Cherry Willis, RN

Ms. Willis graduated from DeKalb Community College, GA in June 1977. Ms. Willis received a letter on August 2, 2000 from the Professional Licensing Boards Division of Georgia that her RN license was being suspended due to her default on her student loan. Her license was suspended effective July 21, 2000 and was reinstated in September 2000 once repayment was satisfactorily made. She answered 'yes' to question #18 on her application and listed 'Georgia' as the state that disciplined her license. Her letter of explanation stated the Georgia Board of RN Licensing temporarily suspended her RN license for defaulting on her student loan. After Board discussion, Mr. Salati made a motion, seconded by Ms. Darling, to grant a waiver for licensure by endorsement. By unanimous vote, the motion carried.

Stephanie Gatti, RN

Ms. Gatti graduated from Everest College, AZ in January 2010. Her CBC showed Theft (Rule 15.3.16) on 3/25/98. Her letter of explanation stated she made a nighttime deposit of money envelopes for her workplace and was unaware that one of them had fallen under her car seat. Several weeks later she received a call from the police accusing her of the theft of the checks that were missing. She resigned from the job prior to this phone call and was no longer working there. She denied wrongdoing but later pled guilty to a lesser charge to save her family the expense of the trial. She paid all fines and made restitution for the canceled checks. Question #25 was answered with a "yes" and a statement of "Pled guilty/no contest to a class 6 undesignated misdemeanor in May 1998. Completed terms of probation in August 1998." This referred to the money envelope deposition. After Board discussion, Ms. Halpern made a motion, seconded by Ms. Bradley, to grant a waiver for licensure by endorsement. By unanimous vote, the motion carried.

HEARINGS/CONSENT AGREEMENTS – RATIFICATION & SIGNATURE

Consent Agreement(s)

Kenneth Weichert, RN – Ms. Singh provided an overview of the Consent Agreement. She reminded the Board Mr. Weichert's license was temporarily suspended in an emergency hearing held in April 2014. She explained that Mr. Weichert requested his license stay suspended indefinitely until he requests it to be lifted. Dr. Williams made a motion, seconded by Mr. Sanders, to accept the Consent Agreement as written. By unanimous vote, the motion carried.

Hearing Officer Recommendation(s)

Jennifer Evans, FNP – Board members reviewed the recommendation from the Hearing Officer with Ms. Singh describing the sanctions. After Board discussion, Mr. Salati made a motion, seconded by Ms. Nellius, to accept the Hearing Officer Recommendation with modification to suspend Ms. Evan's APN license for five years, stayed for probation pending enrollment within 10 days in the DPHMP. Her multi-state 'privilege to practice' on her Maryland RN license will be suspended. Mr. Price suggested adding continuing education to the Hearing Office Recommendation. Mr. Salati amended his motion, seconded by Ms. Nellius, to include 12 contact hours of CE to be earned; 6 hours in Ethics, and 6 in Substance Abuse, in addition to those earned for the renewal period. Dr. Contino recommended that the Board not consider rule 13.10 in making their decision regarding the Hearing Office Recommendation. Mr. Salati amended his motion again, seconded by Ms. Nellius, to disregard rule 13.10 in the decision by the Board. By unanimous vote, the motion carried.

Lisa Alfonso, LPN – Board members reviewed the recommendation from the Hearing Officer with Ms. Singh describing the sanctions. After Board discussion, Ms. Nellius made a motion, seconded by Ms. Bradley, to accept the Hearing Officer Recommendation with modification to suspend Ms. Alfonso's license for three years, immediately stayed for probation pending enrollment within 10 days in the DPHMP, to disregard the conclusion from the Hearing Officer that Ms. Alfonso is unfit to practice due to this being based primarily on her present status and not her condition at the time of her resignation from work for a period of detoxification, and to add 9 hours of CE (6 in substance abuse and 3 in ethics) to be earned within 60 days of the order. By unanimous vote, the motion carried.

Michelle Vickers, RN – Board members reviewed the recommendation from the Hearing Officer with Ms. Singh describing the sanctions. After Board discussion, Dr. Williams made a motion, seconded by Ms. Darling, to accept the Hearing Officer Recommendation with modification including enrollment into

the DPHMP within 10 days of the order, concluding that Ms. Vickers violated regulation 10.4.2.28, and requesting a total of 9 hours of CE; 6 in Substance Abuse, and 6 in Ethics. By majority vote, the motion carried with Ms. Halpern recused.

Angeleik Ward, RN – Board members reviewed the recommendation from the Hearing Officer with Ms. Singh describing the sanctions. After Board discussion, Ms. Halpern made a motion, seconded by Ms. Tyranski, to accept the Hearing Officer Recommendation as written. By majority vote, the motion carried, with Ms. Nellius recused.

LEGISLATIVE UPDATES

Legislative Session Memo Discussion

Dr. Zickafoose said the annual memo from Director David Mangler requesting proposed legislation for the upcoming session was sent to the Board. She said the proposed LLAM and Consensus Model bills would be submitted from the Board. Ms. Singh said will submit a bill to revise qualifications for licensure under 24 *Del. C. § 1910(5)*, and 24 *Del. C. § 1914(5)* with regard to the waiver. Ms. Singh read the statute to the Board and said it specifically allows the Board to waive the criminal convictions only. A minor revision to strike #2 is needed.

REVIEW OF COMPLIANCE

None

PRACTICE WITHOUT LICENSURE REVIEWS

Dr. Zickafoose said there was one person who practiced without a license over 90 days, and two over 90 days in August, for a total of three. Complaints were filed with the Investigative Unit on all three cases.

PRACTICE ISSUES

Supervised Practice and Skilled Nursing Facility

Dr. Zickafoose submitted copies to the Board describing section 4.0 of the Rules and Regulations which states, 'Alternate Supervised Practice Plan for Nurses Inactive in Practice If No Refresher Course Is Available within a Reasonable Distance or Time.' She went over Regulation 4.2.2 that states an alternate supervised practice plan only applies if a Delaware Board of Nursing approved refresher course in nursing is not available within a reasonable distance or time. Regulation 4.3.1 states that the participating facility must be no less than a skilled nursing facility as defined by the Office of Health, Facilities, Licensing, and Certification. Ms. Mary Peterson was contacted and definitions of a 'skilled nursing facility' were read and discussed. Dr. Zickafoose explained a 'skilled nursing facility' is a place where there is an overnight stay. Delaware Code defines a nursing facility to mean a residential facility that provides shelter and food to more than one person who, because of physical or medical condition require a level of care and services suitable to their needs to contribute to their health, comfort, and welfare and who are not related within the second degree of post-sanguinity over to the controlling person or persons of the facility. The facilities to be licensed are the following nursing facilities: Nursing Homes, Assisted Living Facilities, Intermediate Care Facilities for persons with intellectual disabilities, Neighborhood Group Homes, Private Care Homes, Rest Residential Facilities, Retirement Homes, Rehab Homes, and Hospices.

Dr. Zickafoose read to the Board the definition of skilled services from CMS that was supplied from Ms. Peterson. She talked about an applicant that came before the board in 2012 and was given the option of either doing a Supervised Practice Plan or Refresher Course. She said this person claims she has not been able to find a facility where she can do a supervised practice plan. She sent a list of her current job duties performed by this person at her employment. Dr. Zickafoose said the job duties she

read can be performed by an unlicensed person; therefore, she isn't bringing this to the Board as a discipline. She asked the Board if these duties constitute skilled nursing care comparable enough to meet the supervised practice plan requirements and was told they did not.

Ms. Singh asked the Board if they wanted to keep Rule 4.0 the way it is or possibly change it. After some discussion the Board decided they may want to make some changes. Dr. Zickafoose reminded the Board that Mr. Lyron Deputy was the Chairperson of the Rules and Regulations Committee and asked Ms. Darling, as his replacement on the Board, if she would like to fill that position. Ms. Darling accepted and Dr. Zickafoose will discuss this after the meeting. Dr. Zickafoose will respond to the nurse in question and advise her not to apply for reinstatement until she has completed a Refresher Course or has a Supervised Practice Plan.

EDUCATIONAL ISSUES

DTCC Change to Advanced Placement Track – Reduction in Credits – Dr. Contino said DTCC is changing to a 'common curriculum' and there is a track for advanced placement. He said they have a 10-credit course and have now requested a reduction of 3-credits. The Practice and Education Committee has reviewed and approved this reduction and provided DTCC with feedback. It is now their recommendation that the Board give approval. Dr. Contino made a motion to approve the reduction in credits. By unanimous vote, the motion carried.

NLN NCEA Letter – Dr. Contino read a letter NLN sent describing their new accreditation program titled "Commission for Nursing Education Accreditation" (CNEA). Dr. Judith A. Halstead, PhD, RN, FAAN, ANEF, has been appointed the Executive Director of the CNEA effective July 1, 2014.

ACEN Report for Delaware State University

Dr. Contino reported Delaware State University had to do a two year follow-up report after their accreditation visit. He said he received notification from ACEN in the form of a letter that they accepted the follow-up report of DSU and affirmed continuing accreditation for their program. Their next visit will be the fall of 2019. Congratulations to DSU.

AAACEUs CE Provider Renewal Application

Dr. Zickafoose said continuing education providers renew their status every three years. One of the projects her intern worked on this summer was to send letters to CE providers reminding them of their renewal. She said AAACEUs submitted their renewal packet and she recommended renewal of provider status. Mr. Price made a motion, seconded by Ms. Halpern, to renew their provider status. By unanimous motion, the vote carried.

Citizen Advocacy Center Meeting – Oct. 23 – 24, 2014 in Baltimore, MD

Dr. Zickafoose said the Citizen Advocacy Center meeting is scheduled for October 23rd and 24th, 2014 in Baltimore, MD. She said if anyone is interested in attending to please let her know.

Camtech Supreme Court Appeal – Superior Court Judgment Affirmed

Dr. Contino said the Supreme Court of the State of Delaware affirmed the decision to withdraw the approval of the Camtech School of Nursing LPN program. A list of students was submitted and those listed will be allowed to graduate and take the NCLEX exam.

LICENSURE ISSUES

None

NCSBN

NCSBN Annual Meeting Report – Dr. Zickafoose said this report was handed out in the Board packets.

LICENSURE RATIFICATION

Ms. Tyranski made a motion, seconded by Mr. Price, to ratify the licensee list. By unanimous vote, the motion carried. The ratification list is attached at the end of the minutes.

PUBLIC COMMENT

Members of the public introduced themselves to the Board. Ms. Halpern asked Ms. Davis about DTCC's accelerated program. Ms. Davis said the accelerated program is designed to allow Fall students to continue the program in the summer which means students can complete the program in five semesters. Advanced Placement students can complete the program in 3 semesters.

WITNESSES FOR THE RESPONDENT: None

COURT REPORTER PRESENT: Lorena Hartnett, Wilcox and Fetzer

TIME STARTED: 10:00 a.m.

The recorder took verbatim testimony. The Board members introduced themselves, as well as council for the Respondent. Ms. Jennifer Singh described the reason for the hearing and confirmed Ms. Bowers was present. Ms. Bowers petitioned the Board to lift her suspension as she believes her license was suspended without just cause and therefore should be reinstated. Ms. Bowers was notified of the date and time for the hearing to propose to lift her license suspension in a letter dated July 30, 2014. After getting Ms. Woloshin's approval, Ms. Singh marked as Board's Exhibit #1, a copy of the original disciplinary order that incorporates the Hearing Officer Recommendation, the monitoring agreement that Ms. Bowers signed when she entered into the program, the non-compliance report from RBH, and the letter notifying Ms. Bowers of today's hearing.

Ms. Woloshin gave her opening statement. She said she wanted to give the Board more information about the case than what has been presented so far. Ms. Woloshin gave considerable testimony, highlighting the outpatient program that was monitoring Ms. Bowers. She stated that Ms. Bowers was not aware that alcohol was prohibited as a condition of her treatment program, and explained that she had not had a problem with any other program with regard to this. Ms. Woloshin said Ms. Bowers began corresponding with Ms. Lee and Dr. Zickafoose stating that the cost of the testing was becoming cost prohibitive for her. She said she was in arrears and was trying to make payment plans. She said Ms. Bowers was also concerned about the amount of times she was being called for testing.

Ms. Woloshin said Ms. Bowers got significantly behind in her payments to the program and was emailed by Ms. Lee stating that if she didn't pay all the money she owed then a non-compliance report would be sent to the Board of Nursing. Ultimately, in July 2014 she couldn't afford the screens anymore, thereby resulting in the non-compliance report on July 17, 2014 for failure to test and for the arrears in payment. She talked about the full evaluation that was done at Brandywine Counseling. Ms. Woloshin marked the evaluation that was done in March 2014 from Brandywine Counseling as Respondent's Exhibit #1 and passed it around for review.

Ms. Woloshin asked the Board to consider lifting Ms. Bowers' license suspension based upon her history to this point. She explained that the only positive screen she had was for alcohol which was explained due to cold medication. She said she's never tested positive for anything other than what has been prescribed, she's been mental health compliant, is working full-time, and had quarterly reports sent to the Board showing there were no problems with her employment.

Ms. Bowers was sworn in at 10:38 a.m., gave a statement into the record and was questioned by the Board. Dr. Contino asked Ms. Bowers if the Board were to lift her suspension if she would continue to have a problem with the cost associated with the testing. Ms. Bowers said she didn't want to ask her parents previously but they have now agreed to help her if she gets behind in her payments. Ms. Woloshin said Ms. Bowers received a refund check in the amount of \$121.46 on 8/12/14. She passed the check around to the Board for review and explained Ms. Bowers didn't know what the refund was for. Board members continued to question Ms. Bowers regarding missed test dates. Ms. Bowers explained to the Board that she created a log to keep track of how many times she was called to test and how many times she tested. Ms. Singh marked the hand written log prepared by Ms. Bowers as Respondent's Exhibit #2. Ms. Woloshin submitted several emails for Board review. Ms. Singh marked the collection of emails as Respondent's Exhibit #3.

Ms. Woloshin asked to question Ms. Christa Lee. Ms. Lee was sworn in at 11:05 a.m. and was questioned by Ms. Woloshin and the Board concerning the frequency of testing. Her testimony concluded at 11:27 a.m. Dr. Zickafoose was sworn in at 11:28 a.m. and was questioned by the Board. Ms. Woloshin began cross-examination at 11:38 a.m. Closing statements were given by Ms. Woloshin. The Board took a small break from 12:20 p.m. to 12:23 p.m. Board deliberations began at 12:25 p.m. and ended at 12:53 p.m. After deliberations, Ms. Nellius made a motion, seconded by Mr. Salati, to suspend Ms. Bowers' license for three years, stayed immediately for probation upon enrollment in the DPHMP program. If she fails to comply with the board order her license will automatically be suspended. By majority vote, the motion carried, with 8 'yes' and 3 'no' votes. The hearing concluded at 12:57 p.m.

WITNESSES FOR THE RESPONDENT: Cathy Somerville, DON, MeadowWood Hospital

COURT REPORTER PRESENT: Vera Sitze, Wilcox and Fetzer

TIME STARTED: 1:04 p.m.

The court reporter took verbatim testimony. The Hearing Panel introduced themselves. Ms. Singh described the reason for the hearing and confirmed Mr. Hertzler was present. Ms. Stewart waived her opening statement. She then explained both Mr. Alderson and she agree that there is no dispute over the facts. Ms. Stewart submitted the stipulation, with agreed upon violations, and marked it as Evidence Joint Exhibit #1. She said the state would streamline the hearing process by dismissing those in the complaint. Ms. Stewart explained they would not be calling witnesses or admitting additional evidence. She said the state has no objection to Mr. Hertzler giving testimony about his character. Any testimony being given will be used for discipline purposes. Both attorneys agreed that there will be no additional evidence submitted on overlying facts.

Mr. Alderson said since they have stipulated what they would like the Board to consider, his role would be to show mitigating evidence. Mr. Alderson gave an overview of the case and asked the Board to take the transgressions that have been admitted and place them in their proper perspective. He

explained that Mr. Hertzler left Stokley at his own discretion in 2013 and went to work for MeadowWood in July 2013 as a full-time staff member. He said Mr. Hertzler's Supervisor, Cathy Somerville, is in attendance today and said she wanted to address the Hearing Panel on his behalf about his tenure at MeadowWood.

Mr. Alderson gave an overview of Mr. Hertzler's life and career leading up to this date. He talked about Mr. Hertzler's character and said it is important for the panel to know that he has not hidden from any accusations against him; in fact, he wrote a letter to a nurse at Stockley Center on Feb. 6, 2013 describing how he was going to improve himself and stated that he would comply with any corrective action that would allow him to stay at Stockley Center.

Ms. Cathy Somerville was sworn in at 1:20 p.m. She gave her statement into the record and was questioned by Mr. Alderson and Ms. Stewart. The Hearing Panel questioned Ms. Somerville from 1:30 p.m. until 1:43 p.m. Mr. Hertzler was sworn in at 1:43 p.m., and gave his statement. He was questioned by both attorneys and the Panel members. His testimony concluded at 1:48 p.m. Ms. Stewart and Mr. Alderson gave closing remarks at 1:50 p.m. The Hearing Panel began deliberations at 1:58 p.m. At 2:32 p.m. Ms. Tyranski made a motion, seconded by Dr. Lomax, to recommend two years' probation and a total of 15 contact hours of CE over the two years. The contact hours will be broken down as follows: 3 hours in Medication Administration and 3 hours in Infection Control within the first six months; 3 hours in Medication Administration every six months after that for a total of 15 hours in 24 months. The Hearing Panel also recommended bi-annual reports from Mr. Hertzler's supervisor during this time.

The hearing concluded at 2:34 p.m.

Dr. Zickafoose explained that the Hearing Panel recommendation will be put on the agenda for the Board of Nursing meeting once the order was written.

The hearing adjourned at 2:38 p.m.
